Re: Product Obsolescence 767 Wall Transformer and Integrated Wall Systems
From: John Haberstock

Effective November 1, 2012 The 767 Wall Transformer And Systems Will No Longer Be Available For Sale.

As a result of the launch of the New Welch Allyn Green Series™ 777 Wall Transformer and Integrated Wall System, we will no longer offer the 767 Wall Transformer and 767 Integrated Wall Systems, effective November 1, 2012. Attached is a detailed listing of the part numbers being discontinued and where appropriate, the direct replacement product for your reference.

We recommend that customers who are currently interested in the 767 Integrated Wall System or Wall Transformer be transitioned to the Green Series 777 Integrated Wall System or Wall Transformer. The Green Series 777 Integrated Wall Systems and Wall Transformer provide an improved product offering and energy savings.

Technical Support

Welch Allyn will continue to provide technical support and service on the 767 product line for a period of 5 years or until parts are no longer available from our suppliers. Technical Support will be provided through normal channels. In the US contact Welch Allyn at 800.535.6663 or www.welchallyn.com/medical/support/technical/default.htm.

Should you have any questions regarding this initiative please don't hesitate to contact Welch Allyn Customer Service.

*****Please note the replacement product is identified in the table on the reverse side of this document.**

Regards,

John Haberstock | Senior Manager, US/Canada Marketing
