FOR VETERINARIANS

Welch Allyn Veterinary Stethoscopes

For over a decade, we have been focused on providing veterinarians with exceptional performance and value from every Welch Allyn device. Our stethoscopes are no exception.

Harvey™ DLX™ Stethoscopes

Trumpet brass construction translates to hearing more of the important cardiac, pulmonary, vascular and abdominal sounds without relying on difficult "variable pressure" techniques.

- Available with double- or triple-head rotatable design
- Chrome-plated brass chestpiece and binaurals
- Rotatable binaurals and interchangeable comfort-sealing ear tips
- Includes pediatric diaphragm for use with small animals
- 28" tubing length

5079-315 Accessory Kit

(Includes one pediatric chestpiece, one flat diaphragm, one corrugated diaphragm, one pair soft eartips, one pair hard eartips)

Harvey™ Elite® Stethoscope

Superior comfort and a stainless steel head that transmits sounds crisply and clearly.

- Double head (bell and diaphragm)
- Rotatable binaurals and interchangeable comfort-sealing ear tips
- Pediatric diaphragm available
- 28" tubing length

5079-232 Accessory Kit

(Includes one pediatric chestpiece, one flat diaphragm, one corrugated diaphragm, one pair soft eartips, one pair hard eartips)
